

Building **HOPE**

Supporting and unifying
Arizona's pro-life movement.

Why We Gather for the Arizona for Life March & Rally

We gather for the children in their mother's womb who cannot speak for themselves.

We gather for the mother who is afraid, confused, concerned, and who needs others to come along side her to give support, counsel, and love.

We gather to give support to the father who may be at a loss in supporting the mother of his child, but he wants to be there for her and their baby.

We gather to bring unity in our community for Life and the preciousness of Life, from conception to natural death.

We gather to share the common thread of love for our fellow citizen and for the precious gift God has given all of us to live in this world together.

What is the Arizona for Life March & Rally?

The Arizona for Life March & Rally is a family friendly event for all ages to join with others from around the state of Arizona to celebrate Life! We celebrate with music, food

trucks, walking along the route with other Pro-Life supporting neighbors and friends. You will have the opportunity to speak with Pro-Life and Life supporting organizations to see how all of us can become involved with their organizations and support their efforts, plus hear great speakers from Arizona and beyond.

Some of our well-known programs and events such as the "Choose-life" license plates, the Arizona For Life March and Rally, and the "Fund For Life" endowment raise funds and activate volunteers to support local organizations such as:
